"Cape Town"

I'm anticipating
My trip to Africa
How I have always been waiting
Far too long

I'm not going to soundcheck
There's too much to do
I'm not going to soundcheck
I might fall for you

Rum dum dum dum dum
Dum, dum, day, Africa
Rum dum dum dum dum
Dum, dum, day, fall for you

Five o'clock in the morning
My feet will touch the ground
Five o'clock in the morning
No, no sound

We could take a safari
All around
Go see Tabletop Mountain
In Capetown

Rum dum dum dum dum
Dum, dum, day, Africa
Rum dum dum dum dum
Dum, dum, day, fall for you

I will stay here
I will stay here
I will stay here
I will stay here
