You always put the blame on me
But that's not the way it's supposed to be
Don't you hang around my door
Don't wanna see you anymore
Mussolini and Adolf knew
It was them who caused World War II
You'd better stay away from me
'cause this could cause World War III
You took it all for a game
And baby, really, that's a shame
By the time you came to me
It was over and you couldn't see

Oohh I never meant to hurt youRepeat 2x
Always put the blame on me
But that's not the way it's supposed to be
So don't you hang around my door
Don't want to see you anymore, ohRepeat 3x
