Shout shout shout Delilah  
Shout shout shout at the top of your lungs  
Shout shout shout Delilah  
Shout shout shout until the kingdom comes

Stay away from me  
Just stay away from my house  
Stay away from me  
Just stay away or I'll sort you out

Shout shout shout Delilah  
Shout shout shout till the kingdom comes

Treading on my dreams  
Stop treading on my dreams  
Stop treading on my dreams

Out out out Delilah  
Out out out stay out of my place  
Out out out Delilah  
Out out out or I'll rearrange your face

He'll never really be  
He'll never be your lover  
He'll never really be  
He'll never be your lover

So stay away from me  
Just stay away from my house  
Stay away from me  
Just stay away or I'll sort you out

Shout shout shout Delilah  
Shout shout shout till the kingdom comes

Treading on my dreams  
Stop treading on my dreams  
Stop treading on my dreams

Delilah, Delilah, Delilah  
Push me, push me  
Delilah, Delilah, Delilah

Push me, push me

Delilah, Delilah, Delilah  
Push me, push me  
Delilah, Delilah, Delilah

Push me  
Push me  
Push me
