He always holds on to his girlfriend  
That's where he likes to be  
He likes to wear the ball and the chain on his neck  
A false sense of security

And when he goes he goes with a smile  
And when he goes he goes with a smile  
And when he goes he goes with a smile  
And when he goes he goes with a smile

Desperate Andy ahh  
Re la la la  
Desperate Andy ahh  
Re la la la

The world is your oyster now  
You can do as you want to do  
The world is your oyster now  
Go out and get high and get whatever you want to

Ma na na, ma na na, ma na na

He used to be a closet biker they say  
A 1957 BSA  
He used to collect writing paper  
They wonder wonder wonder wonder wonder of

Desperate Andy ahh  
Ra la la la  
Isn't it dandy ahh  
Ra la la la  
Hug yourself another

Shandy Andy ahh  
Ra la la la  
Desperate Andy ahh  
Ra la la la

The world is your oyster now  
You can do as you want to do  
The world is your oyster now  
Go out and get high and get whatever you want to

The word is your oyster now  
You can do as you want to do  
The world is your oyster now  
Go out and get laid and get whatever you want to

The world is your oyster  
The world is yours

It's your's, it's your's, it's your's

Give it a chance today  
Give it a Saturday, give it a world, yeah
