### **"Eyelash"**

Visit "[Eyelash](#)" on [MotoLyrics.com](http://MotoLyrics.com)

The Cranberries explained that Eyelash was the first title for Losing My Mind, so please erase this one and please add the songs 'Always' and 'Roses'

I'll write the lyrics:

Always:

Here's the song, here's the song that I wrote just for you

Sing along to the song that I wrote just for you

Always, always, always be the sunlight shining

Always, always, always be the sunlight shine on me

You're so fine and you're mine

Everything about you

Heaven knows

Heaven knows

Heaven knows what could I do without you

Always, always, always be the sunlight shining

Always, always, always be the sunlight

Always, always, always be the sunlight shining

Always, always, always be the sunlight shine on me

Here's the song, here's the song that I wrote just for you

Hope you like the song that I wrote just for you

Roses:

Life is no garden of roses

More like a thistle in time

Sailing past

Waiting for no one is time

Sailing fast

Waiting for no one this time

Now that you've killed me with your eyes

Why did you push me away?

How will i make it without you?

How will i go on my way?

Everything feels cold in the winter

Everything feels cold

Life is a garden of roses

Roses just wither and die

Now that you've killed me with your eyes,

Why did you push me away?

How will i make it without you?

How will i go on my way?

Life is a garden of roses

Roses just wither and die
