Yellow skies, I can see with yellow skies
See you again, I see you again
In my dreams
In my dreams
In my dreams
In my dreams

Morning light, I remember morning light
Outside my door I see you no more
In my dreams
In my dreams
In my dreams
In my dreams

Forever, forever I'll be, forever holding you
Forever, forever I'll be, forever holding you
Responsible

Black and white, it's become so black and white
So insecure, you're so insecure
That's what you are
That's what you are
That's what you are
That's what you are

Forever, forever I'll be, forever holding you
Forever, forever I'll be, forever holding you
Responsible
Responsible

Forever, forever I'll be, forever holding you
Forever, forever I'll be, forever holding you
Responsible
