ah yeah, I'm glad I put this tape in,
I'm just gon' cruise down the road,
look at the stars in the sky,
and drift off into the sweet memorys that I have,
of a love that my heart has been searching for,
for so long, and I know somewhere,
If I keep searching, that love I'll find,
the picture grows clearer and clearer,
from the back to the front of my mind,
and like love, a love I know I'll have,
the girl that I want, she'll be mine, she'll be fly, and it'll
last,

I see her face and I can't let go,
she's in my dreams and my heart, so let me know,
(have you seen her?)
have you seen her?,
(tell me have you seen her?)
I'm looking for that love,
she's a thought and a vision in my memory,
I haven't met her, but tell me where could she be,
(have you seen her?)
have you seen her?,
(tell me have you seen her?)
I'm looking for that special love,
(love, oh love, love is a feeling that I need)
love is a feeling that the Hammer definitely needs,
(please be mine)
baby be mine,
(I need your love to make it)
I need your love to make it,
so why don't you be mine,
the search is going on,
from coast to coast,
a women for the man, who's propping the most,
(have you seen her?)
have you seen her?,
(tell me have you seen her?)
my heart is beating strong,
this love cannot be wrong,
I need her and I want her, so come on to my home,

(have you seen her?)
have you seen her?,
(tell me have you seen her?)
I'm a keep looking,
at the movies, in my car, on my stereo,
at a game of Different World or the Cosby Show,
(have you seen her?)
have you seen her?,
(tell me have you seen her?)
yo veo, tell me what's up,
at the track, at the club, or out buying dub,
if you've seen her, then I'll have her, cause I'm in love,
(have you seen her?)
have you seen her?,
(tell me have you seen her?)
my heart is hurting so bad,
(love, oh love, love is a feeling that I need)
love is a feeling that I know I need,
(please be mine)
be mine baby,
(I need your love to make it)
I need your love to make it,
why don't you be mine,
(baby, be mine)
where could she be?,
at the store around the corner,
or wondering at night,
or chilling with another brother holding the mic,
(have you seen her?)
have you seen her?,
(tell me have you seen her?)
Hammer, you know I'm looking,
calling all my friends all around the place,
Guy, Lavertte, or my homey Rob Base,
(have you seen her?)
have you seen her?,
(tell me have you seen her?)
if you've peeped her out, tell me,
yo, veo on the phone,
Ted, Dre, or Ed Lover,
Fab Five, homeys won't you help a young brother,
(have you seen her?)
have you seen her?,
(tell me have you seen her?)
I got a picture in my mind,
the thought is so clear of the love I need here,
like D-B magic, and why don't you appear,
(have you seen her?)
oh baby, why don't you appear,
(tell me have you seen her?)
I can see yo' face,

I'm seeing her face, again and again,
come knocking at my door, and you know I'll let you in,
(have you seen her?)
have you seen her?,
(tell me have you seen her?)
oh, my sweet love,
searching 'round the world, what more can I say?,
the girl is hard to see like an unseen VJ,
(have you seen her? tell me have you seen her? have
you seen her?)
