Hold on to love, that is what I do
Now that I've found you
And from above, every thing's stinking
They're not around you

And in the night, I could be helpless
I could be lonely, sleeping without you
And in the day, every thing's complex
There's nothing simple when I'm not around you

But I miss you when you're gone
That is what I do, bay, bay, bay
And it's goin' to carry on
That is what I do, bay, bay, bay

Hold on to my hands
I feel I'm sinking, sinking without you
And to my mind, every thing's stinking
Stinking without you

And in the night, I could be helpless
I could be lonely, sleeping without you
And in the day, every thing's complex
There's nothing simple when I'm not around you

And I miss you when you're gone
That is what I do, bay, bay, bay
And it's goin' to carry on
That is what I do, bay, bay, bay

Bay, bay, bay
