There was a game we used to play
We would hit the town on Friday night and stay in bed
until Sunday
We used to be so free
We were living for the love we had and living not for
reality

Just my imagination, just my imagination, just my
imagination
It was just my imagination
Just my imagination, just my imagination
It was

There was a time I used to pray
I have always kept my faith in love
It's the greatest thing from the man above
The game I used to play
I've always put my cards upon the table
Let it never be said that I'd be unstable

Just my imagination, just my imagination, just my
imagination
It was just my imagination
Just my imagination, just my imagination
It was

There is a game I like to play
I like to hit the town on Friday night
And stay in bed until Sunday
We'll always be this free
We will be living for the love we have
Living not for reality

It's not my imagination, it's not my imagination, it's not
my imagination
It was not my imagination
Not my imagination, not my imagination
It was

Not my, not my, not my, not my
Not my, not my, not my, not my
Not my, not my, not my, not my

Not my, not my, not my, not my
Not my, not my

Just my imagination, just my imagination, just my
imagination
It was just my imagination
Just my imagination, just my imagination
It was

My imagination
My imagination

Not my imagination, my imagination
My imagination

Not my imagination, my imagination
Not my imagination, my imagination
Not my imagination
