[Chorus 2x] Let's get it started!

[Verse 1]

MotoLyrics

Now your party wasn't jumping and your DJ was weak Instead of dope beats, he was spinnin them Z's All the fly girls who came with a beat in mind They all up against the wall like a welfare line Do you think for one minute that this is it? Your party is bogus, Yo it ain't legit You better put on the hammer, And you will be rewarded My beat is ever boomin, And you know I get it started Get it started!

[Chorus 5x]

[Verse 2] Now get up out your seat because my beat is so complete I'm movin everybody from A to Z And when it comes to straight up rockin, I'm second to none From Doug E. Fresh to LL or DJ Run They say hammer how you do it? I got it like that My posse's ever rollin, We keep it in tact Just put on the hammer, And you will be rewarded My beat is ever boomin, And you know I get it started

[Chorus 6x]

[Verse 3]

Now, a lot of b-boys make em dance, Yo they fakin the beat

They hip hop on the outside put rock underneath Before the show gets started, They shakin they boots My posse in the end cold displayin the troops Like a trooper, I'm down cold hooked on the drugs 808 SB12'S are expirin africans Just put on the hammer, And you will be rewarded

My beat is ever boomin, And you know I get it started

[Chorus 5x]

[Verse 4]

They said it couldn't happen, that rap wouldn't last The beat is in effect like the oil in your gas Cause it's makin lots of money from top to bottom Whatever in effect, Yo, B-boys have got em Nobody knows how a rapper really feels A mind full of rhymes, and a tongue of steel Just put on the hammer, and you will be rewarded My beat is ever boomin, and you know I get it started

[Chorus 7x]
