Say it if you want to
and say it if you will
but if you don't say what you are thinking
no I won't take to kindly to it

When all I want its something special
and you couldn't give it to me
and all you do its lie to me
cause you're a liar, liar, liar

I will run, I will fight, I will take you trough the night
night, night, la a a a
I will run, I will fight, I will take you trough the night
night, night, la a a a

Say ti if you want to
and say it if you choose
becauseif you dont say what you are thinking
no I won't take to kindly to it
when all I want its something different
and you couldn't give it to me
and all you do its lie to me
cause you're a liar, liar, liar

I will run, I will fight, I will take you trough the night
night, night, la a a a
I will run, I will fight, I will take you trough the night
night, night, la a a a

I will find you, I'll find you
I'll find it in you liar, liar, liar, liar
nooo you're a liar, liar, liar, liar
