If you, if you could return
Don't let it burn, don't let it fade
I'm sure I'm not being rude
But it's just your attitude
It's tearing me apart
It's ruining everything

I swore, I swore I would be true
And honey so did you
So why you were you holding her hand
Is that the way we stand
Were you lying all the time
Was it just a game to you

But I'm in so deep, you know I'm such a fool for you
You got me wrapped around your finger
Do you have to let it linger
Do you have to, do you have to
Do you have to let it linger

Oh, I thought the world of you
I thought nothing could go wrong
But I was wrong, I was wrong

If you, if you could get by

Trying not to lie
Things wouldn't be so confused
And I wouldn't feel so used
But you always really knew
I just wanna be with you

And I'm in so deep, you know I'm such a fool for you
You got me wrapped around your finger
Do you have to let it linger
Do you have to, do you have to
Do you have to let it linger

And I'm in so deep, you know I'm such a fool for you
You got me wrapped around your finger
Do you have to let it linger
Do you have to, do you have to

Do you have to let it linger

You know I'm such a fool for you

You got me wrapped around your finger

Do you have to let it linger

Do you have to, do you have to

Do you have to let it linger
