"Many Days"

You bring out the best in me
You opened up the door
Bringing out the best in me
I'm not afraid anymore
You bring out the smile in me
You opened up my eyes
Bringing out the smile in me
Your burying my disguise
Many nights many days
I would sit in a gaze worrying
Many nights , many days
I wasn't alive
(repeat)

Take, take, take, take me over
You bring out the best in me
You opened up the door
Bringing out the best in me
I'm not afraid anymore
You bring out the truth
Bringing out the smile
You bring out the truth
Many nights , many days
I would sit in a gaze worrying
Many nights , many days
I wasn't alive
You gotta open up your heart
You gotta open up your mind
