Keep on looking through the window again
But I'm not sorry if I hate you in solitude
Said I'm not sorry 'bout the way that things went
And you'll be happy and I'll even forsaken me

I swore I'd never feel like this again
But you're so selfish
You don't see you're rude to me

I keep on looking through the window again
No, I'm not sorry if I hate you in solitude
I'm not sorry if I hate you in solitude

You told me lies
And I sighed, and I sighed, and I sighed
Cause you lied, lied
And I cried,
Yes I cried, yes I cry, I cry, I try again

I realize
When you say, you say, you say
Cause you lied, lied
And I cried,
Yes I cried, yes I cry, I cry, I try again

Keep on looking through the window again
But I'm not sorry if I hate you in solitude
Said I'm not sorry 'bout the way that things went
And you'll be happy and I'll even forsaken me

I swore I'd never feel like this again
But you're so selfish
You don't see you're rude to me

I keep on looking through the window again
And I'm not sorry if I hate you, detest you
No, I'm not sorry if I hate you, detest you

You told me lies
And I sighed, and I sighed, and I sighed
Cause you lied, lied
And I cried,

Yes I cried, yes I cry, I cry, I try again

I realize

When you say, you say, you say

Cause you lied, lied

And I cried,

Yes I cried, yes I cry, I cry, I try again

I keep on looking through the window again

I keep on looking through the window again
