You're so pretty the way you are
You're so pretty the way you are
And you have no reason to be so slick to me
You're so pretty the way you are

Love, love, yeah, you say you want it
But you won't change me
Love, love, yeah, you say you want it
But you won't change me

You're so pretty the way you are
You're so pretty the way you are
And you have no reason to be so slick to me
You're so pretty the way you are

Love, love, yeah, you say you want it
But you won't change me
Love, love, yeah, you say you want it
But you won't change me

Love, love, yeah, you say you want it
But you won't change me
Love, love, yeah, you say you want it
But you won't change me

Love, love, yeah, you say you want it
But you won't change me

Love, love, yeah yeah
Love, love, yeah yeah
Love, love, yeah yeah
