The Stars are bright tonight
And I am walking nowhere

I guess I will be alright
Desire gets you nowhere

And you are always right
I thought you are so perfect

Take you as you were
Have you as you were
Take you as you were

I'll have you just the way are
I'll have you just the way are
I'll take you just the way are
Does anybody love the way you are
Aaa Aaa Aaa

The Stars are bright tonight
A distance is between us
And I will be OK
The worst I've ever seen us
And still I have my weaknesses
Still I have my strength
And still I have my ugliness

But I, I, I
I'll have you just the way are
I'll have you just the way are
I'll take you just the way are
Does anybody love the way you are

Aaaa Aaaa Aaaa Aaaa Aaaaa

I'll have you just the way are
I'll have you just the way are
I'll take you just the way are
Does anybody love the way you are

Aaaa Aaaa Aaaa Aaaa Aaaa Aaaa Aaaa
