Oh do you know?
Where to go?
Where to go?
Somethin' on your mind
Wanna leave me behind
Wanna leave me behind

You're spinnin' me around
My feet are off the ground
I don't know where I stand
Do you have to hold my hand?
You mystify me
You mystify me
You mystify me

Oh when you walk into the room
It happened oh so soon
I didn't want to know
'Cause you really have to go
You mystify me
You mystify me
You mystify me

And I couldn't find the words to say I love you
And I couldn't find the time to say I need you
It wouldn't come out right
It wouldn't come out right
It just came out all wrong

Oh you're spinnin' me around
My feet are off the ground
I don't know where I stand
Do you have to hold my hand?
You mystify me
You mystify me
You mystify me

Oh do you know?
Where to go?
Where to go?
Somethin' on your mind
Wanna leave me behind

Wanna leave me behind
