Don't stray, don't ever go away.
I should be much to smart for this,
You know it gets the better.
I mean sometimes when you and I glide.
I've fall into ocean of you,
Pull me out in time.
Don't let me drown, let me down.
I say it's all because of you.

And here I go, losing my control.
I'm practising your name,
so I can say it to your face.
It doesn't seem right,
To look you in the eye.
When all the things you mean to me,
Come tumbling out my mouth.
Indeed, it's time. Tell you why,
I say it's infinitely true.

Say you'll stay, don't come and go,
like you do.
Sway my way, yeah I need to know,
all about you.

And there's no cure,
And nowhere be sure.
Why everything's turned inside out,
It's still in so much doubt.
It makes me so tired,

I feel so uninspired.
My head is battling with my heart,
My logic has been torn a part.
And now, it all turned souer.
(..) afternoon.

Say you'll stay, don't come and go,
like you do.
Sway my way, yeah I need to know,
all about you. (2x)

It's all because of you.

It's all because of you.

Say you'll stay, don't come and go,
like you do.

Sway my way, yeah I need to know,
all about you. (2x)

It's all because of you.

It's all because of you.

It's all because of you...
