I never had a friend like you
This is the day
Your skin is white, your eyes are blue
This is the day

But the wind might change
I will still remain
I will always be there for you

Those thoughts, they circle in my mind
This is the day
The demons I can't leave behind
This is the day

Don't be insecure
I'll be at your door
I will always be there for you

Faith will save you
Faith will save you
Faith will save you
Stay safe

Faith will save you
Faith will save you
Faith will save you
Stay safe, stay safe, stay safe

Provoked thy grace into my mind
This is the day
Provoked thy grace, thou are divine
This is the day

Don't be insecure
I'll be at your door

I will always be there for you

Faith will save you
Faith will save you
Faith will save you
Stay safe

Faith will save you
Faith will save you
Faith will save you
Stay safe, stay safe, stay safe

But the wind might change
I will still remain
I will still be here

But the wind might change
I will still remain
I will always be there for you

Faith will save you
Faith will save you
Faith will save you
Stay safe

Faith will save you
Faith will save you
Faith will save you
Stay safe

Faith will save you
Faith will save you
Faith will save you
Stay safe

Faith will save you
Faith will save you
Faith will save you
Stay safe, stay
