Hold on to love, that is what I do  
Now that I've found you  
And from above, every thing's stinking  
They're not around you

And in the night, I could be helpless  
I could be lonely, sleeping without you  
And in the day, every thing's complex  
There's nothing simple when I'm not around you

But I miss you when you're gone  
That is what I do, bay, bay, bay  
And it's goin' to carry on  
That is what I do, bay, bay, bay  
Hold on to my hands  
I feel I'm sinking, sinking without you  
And to my mind, every thing's stinking  
Stinking without you

And in the night, I could be helpless  
I could be lonely, sleeping without you  
And in the day, every thing's complex  
There's nothing simple when I'm not around you

And I miss you when you're gone  
That is what I do, bay, bay, bay  
And it's goin' to carry on  
That is what I do, bay, bay, bay

Bay, bay, bay
