Touch me i'm here with you  
And though I ache  
And though I want of you  
Make my mind and body burn  
Yeah I married you

Tonight I dreamed of you  
And dreamed but at times  
You ever knew  
You know I dreamed of you  
Sometimes fade and ... you

Touch me i'm alone with you  
You knew this was a game ...  
You make me fall into my eyes  
... still preciously  
And you know  
We have found ...  
You have ... in my...

You're the only thing I ever know  
And all i'm feeling down to beat  
You're the only thing I ever know  
You know i'm feeling down to beat

Touch me i'm here with you  
And though I ache  
And though I want of you  
Make my mind and body burn  
With ... anything  
I can think of you  
You knew by body ...

Awake i've dreamed of you (dreamed of you)  
You ain't gonna I know i've gone ...  
You know i've dreamed of you  
Dreamed of you (you ain't gonna know i've gone)  
You're the only thing ever need  
And all I feel is down to beat  
You're the only thing I even know (need)  
And all I feel is that you're gone
