2hundred on the dash,  
Watch me watch me crank that road runner real fast,  
Like, like, crank dat road-runner, crank dat road-runner

Watch me do, two hundred on the dash, watch me  
watch me crank dat roadrunner real fast, like like crank  
dat roadrunner crank dat road crank dat roadrunner

Vroom-it's I.B. in the stage, road-runner watch me  
watch me crank it in your face but wait but wait I thin yo  
dude wanna hate so I slow it up and took a pacabamma  
in stage like vroom

On a wildie coytoe do it one hundred but the minuim  
140, watch me crank it up switch gears no poyion like a  
single dynimite my ankles are swollen
