I'm not trying to forget you;  
I just thought that I'd let you know.  
It's all explained in this letter  
That you left on your bathroom floor.  
And I will remember  
And I will forever now.  
If all of this is possible,  
Why can't I just see you tonight?  
If all of this is possible  
I want to die in your arms,  
I want to die in your arms,  
I want to die in your,  
Die in your, die in your,  
Die in your arms.  
Hear the whispers from the backroom.  
Screams keep you awake at night.  
I'm still waiting for your last kiss.  
Nothing ever seems to pass the time.  
And I will remember  
And I will surrender now.  
If all of this is possible,  
Why can't I just see you tonight?  
If all of this is possible  
I want to die in your arms,  
I want to die in your arms,  
I want to die in your,  
Die in your, die in your,  
Die in your arms.  
We'll carry on until we fall.  
It seems like you have forgotten.  
We'll carry on until we fall.  
Please don't say that this is the end.  
If all of this is possible,  
Why can't I just see you tonight?  
If all of this is possible  
I want to die in your arms,  
I want to die in your arms,  
I want to die in your,  
Die in your, die in your,  
Die in your arms.  
If all of this is possible,

If all of this is possible  
If all of this is possible  
I want to die in your arms,  
I want to die in your arms,  
I want to die in your,  
Die in your, die in your,  
Die in your arms.
