One night in Berlin is all I have left
The sequence is all but complete
One night in Berlin
In Bowie, in blood
In Riesling, I'll take what they give

Television transmission, wait for a while
We're all a little blurry in the midnight hour

One night in Berlin
"Caroline Says"
It all seems so real to me now

Television transmission, wait for a while
We're all a little blurry in the midnight hour

One night in Berlin is all I have left
The sequence is all but complete
One night in Berlin
In Bowie, in blood
In Riesling, I'll take them on!

Ladies and Gentlemen, I have some most disturbing
news
The show cannot go on, the crew and I did everything
we could
We hate to leave you in the cold...
Oh no!
There will be no show!

Ladies and Gentlemen, enjoy the best of Season Two
Ring their management
A "Supersonic Scam" is what we've got!
Nobody leaves us in the cold...
Not on my show!

There will be no television!
There will be no radio!
There will be no magazines!
As long as I have anything to say about it!

There will be no television!

There will be no radio!
There will be no magazines!
As long as I have anything to say about it!

There will be no...
There will be no...
There will be no...
