You are not ordinary  
Remember, "Temporary" ...  
You know the window is completely controlled  
48 hours  
You know just where to be:  
The Star Cross Loader-  
Your shoulder is tattooed with the appropriate code

Be sure to come out that night or you're gone  
Be sure to come out, Love  
Be sure to come out that night or you're gone  
Be sure to come out, Love

Will the world stop spinning if everybody knows we only  
got tomorrow?  
Will the world stop spinning if everybody knows I  
disappeared?

What if I don't conform to  
Demands I don't relate to?  
If I die, you die and your secrets are sold!

48 HOURS!  
YOU KNOW JUST WHERE TO BE!  
YOU'LL DO AS YOU'RE TOLD!  
WE'RE IN CONTROL!  
... AND YOU'RE COMING HOME!

Be sure to come out that night or you're gone  
Be sure to come out, Love  
Be sure to come out that night or you're gone  
Be sure to come out, Love

Will the world stop spinning if everybody knows we only  
got tomorrow?  
Will the world stop spinning if everybody knows I  
disappeared?  
Oh no! Oh no!  
Oh no! Oh no!

Be sure to come out that night or you're gone  
Be sure to come out, Love

Be sure to come out that night or you're gone  
Be sure to come out, Love

Oh no!  
Be sure to come out that night or you're gone  
Oh no!  
Be sure to come out, Love  
Oh no!  
Be sure to come out that night or you're gone  
Oh no!  
Be sure to come out, Love

Be sure to come out!  
Be sure to come out!

Will the world stop spinning if everybody knows... ?
