Come on, come on turn down the lights and let's go
Come on, come on let your hair down, let's give 'em a
show

Ain't nobody but you baby, ain't nobody but me baby
I been thinking 'bout you baby
Do you wanna groove with me baby?

Come on let's go, it's one for the money and two for the
show
Let's rock and roll tonite

Come on, come on turn down the lights and let's go
Come on, come on drop the needle and go, go, go

Come on let's go, it's one for the money and two for the
show
Let's rock and roll tonite

Let's rock and roll
God bless my soul
Let's rock and roll
