Hello, it's me
I'm coming up
Can't wait to see Mars
I made you laugh.
Cool.
Tell me what you want me to bring
What you want me to be
'Cause I'll be anything

Bangin' on your hotel door
Oh, why won't you let me in

Mr. Starlight I'm yours completely
Nobody loves you more-
"Get your hands off me! STOP!
Wait a minute, you don't understand!
I'm not a whore, overzealous fan
We got a thing goin' on..."
("What's going on?")

Mr. Starlight I'm yours completely
Nobody loves you more
Nobody
Mr. Starlight I'm yours
Nobody loves you more
Loves you more
Loves you more
