Let's drink a glass of something
Let's get on with the show
It's getting late, you're gonna be my Sweet Sexation
Around the world and off you go
I'll lay you down in stardust
Take you on a most peculiar ride
So come aboard you're gonna be my sweet sexation
And I'll surely blow your mind

The clock is ticking the honeydew's dripping
In the foggy blue of the television I'm sipping your wine
Getting late you're gonna be my sweet sexation
And I'll surely blow yourI'm gonna blow yourAround the world and off you go!
