Remember, you beggar?
You asked for a piece.
I answered your prayers... but I'm not who you seek
Did you really think that it would end in the breaking of
the morning light?
You fool, child.
You can never bargain with your soul if you don't have
a damn thing to lose!

When what you can't let go won't let you go
You try like a man possessed to lay that memory to rest
But time just leaves you cold
When what you can't let go won't let you go

It's a pleasure doing business with a fool like you
Your tears fall like dominoes, I laugh as they circle the
room
Should have known better than to deal with the devil
Now you gotta mess on your hands, boy
I'm gonna be with you every step of the way, at every
turn, in every song
