Turn it on, turn it around, you'll hear it
Number 9, "dressed in white"- you can feel it
Don't believe when they tell you...
Don't believe what they tell you!

Turn it on, turn it around, you'll hear it
Number 9, "dressed in white"- you can feel it
Don't believe when they tell you...
Don't believe what they tell you!

It's on the radio from coast to coast
Where is the Kid tonight?
Nobody knows

"I heard he overdosed, man"
"I heard he's shot in London"
"I heard he drove his car into a lake outside of Berlin"

Turn it on, turn it around, you'll hear it
Number 9, "dressed in white"- you can feel it
Don't believe when they tell you...
Don't believe what they tell you!

Turn it on, turn it around, you'll hear it
Number 9, "dressed in white"- you can feel it
Don't believe when they tell you...
Don't believe what they tell you!

"I heard his private jet plane went down in a sea of
flames"
"The band knows, but they're not tellin'"
"They're holed up in a hotel in Berlin"

Turn it on, turn it around, you'll hear it
Number 9, "dressed in white"- you can feel it
Don't believe when they tell you...
Don't believe what they tell you!

Turn it on, turn it around, you'll hear it
Number 9, "dressed in white"- you can feel it
Don't believe when they tell you...
Don't believe what they tell you!

"He's not dead he is only sleeping..."
"He's not dead he is only sleeping..."
"He's not dead he is only sleeping..."
"He's not dead he is only sleeping..."
"He's not dead he is only sleeping..."
