Hello, it's me  
I'm coming up  
I bet you thought I'd never be calling you  
What I put you through...  
Are you free?  
I really need to know, 'cause I'd never make it if I go  
back alone  
So I telephoned

Mary Ann, the thing is,  
About love  
I never knew what it was made of  
I never had to understand  
I'm not like other men

Mom and Dad are such a drag  
But we can kill tomorrows!  
Take a piss on the other kids  
'Cause we can kill tomorrows!  
My Groupie. My Juliet.  
We can kill tomorrows  
Come meet me in Berlin  
We can kill tomorrows...  
Tomorrows...

I can see  
I know you've had enough of that cosmic jive  
And I apologize  
Do you believe in me?  
The Supersonic Teenage Dream's so strong  
But I'm moving on

Mary Ann, the thing is,  
About time  
So heartless. So sublime.  
Illuminating ghosts I've seen  
Laughing back at me

Mom and Dad are such a drag  
But we can kill tomorrows!  
Take a piss on the other kids  
'Cause we can kill tomorrows!

My Groupie. My Juliet.  
We can kill tomorrows  
Complete me in Berlin  
We can kill tomorrows...  
Tomorrows...
