Oh well, oh well, I feel so good today,  
We touched ground on an international runway  
Jet propelled back home, from over seas to the USA

New-York, Los Angeles, oh, how I yearned for you  
Detroit, Chicago, Chattanooga, Baton Rouge  
Let alone just to be at my home back in ol?St-Lou.

Did I miss the skyscrapers, did I miss the long freeway?  
From the coast of California to the shores of Delaware  
Bay  
You can bet your life I did, till?I got back to the USA

Looking hard for a drive-in, searching for a corner caf?  
Where hamburgers sizzle on an open grill night and  
day  
Yeah, and a jukebox jumping the records like in the  
USA

Well, Im so glad Im livin?in the USA.  
Yes. Im so glad Im livin?in the USA.  
Anything you want, we got it right here in the USA
