Everything is wrong since me and my baby parted  
All day long I'm walkin' 'cause I couldn't get my car  
started

Laid off from my job and I can't afford to check it  
I wish somebody'd come along and run into it and  
wreck it

Come on, since me and my baby parted  
Come on, I can't get started  
Come on, I can't afford to check  
I wish somebody'd come along and run into it and  
wreck it

Everything is wrong since I've been without you  
Ev'ry night I lay awake thinkin' about you  
Ev'ry time the phone rings it sounds like thunder  
Some stupid guy try'n' to reach another number

Come on, since I've been without you  
Come on, always thinkin' about you  
Come on, phone sounds like thunder  
Some stupid guy try'n' to reach another number

Everything is wrong since I last saw you, baby  
I really wanna see you and I don't mean maybe  
I'm doin' ev'rything try'n' to make you see  
That I belong to you, hon, and you belong to me

Come on, I wanna see you, baby  
Come on, I don't mean maybe  
Come on, I'm try'n' to make you see  
That I belong to you and you belong to me

Come on, I gotta see you, baby  
Come on, I don't mean maybe  
Come on, I've gotta make you see  
That I belong to you and you belong to me
