My first and only love, I do sincerely ask of you
The one and only question that my heart is wandering
to:

Do you love me? Do you mean the things you say?
If you love me, baby, you wont treat me this way.
Dont treat me this way!

I tried so hard to proove to you that my love for you is
real
You never say sweet things to try to change the way I
feel;

Do you love me? Do you mean the things you say?
If you love me, baby, you wont treat me this way.
Dont treat me this way!

(Do you love me? Do you mean the things you say to
me?)

I never asked you were youve been or where you want
to go
But now the time has come, my dear, and I have got to
know:

Do you love me? Do you mean the things you say?
If you love me, baby, you wont treat me this way.
Dont treat me this way!
(Dont treat me this way!)
(Dont treat me this way!)
