Gee, youve changed since the day you told me your
name Yes, youve changed, your kisses dont feel the
same How, youve changed, our romance to play from
dance First you told me that you loved me and I
believed

Then you sold me with the vow that youd never leave
Now you scolded me, caring not how my heart grieves

Hmm, how Ive loved you, since the day you told me
your name Yes, I loved you, thinking you all the wild
thatll upsane And Ill still love you, even knowin?I know
youve changed.
