I'm gonna give you thirty days to get back home
I done talked to the gypsy woman on the telephone
She gonna send out a world wide hoodoo
that'll be the very thing that'll suit ya
I'm gonna see that you be back home in thirty days
Oh thirty days thirty days
Oh thirty days thirty days
I'm gonna see that you be back home in thirty days
Gonna send out a world wide hoodoo
that'll be the very thing that'll suit ya
I'm gonna see that you be back home in thirty days.

I done talked to the judge in private early this morning
And he took me to the sheriff's office to sign a warning
warrant?
Gonna put a false charge again ya against ya
That'll be the very thing that'll send ya
I'm gonna see that you be back home in thirty days
Oh thirty days thirty days
Oh thirty days thirty days
Baby I'm gonna see that you be back home in thirty
days
Gonna put a false charge again ya
that'll be the very thing that'll send ya
I'm gonna see that you be back home in thirty days

If I don't get no satisfaction from the judge
I'm gonna take it to the FBI and voice my grudge
If they don't give me no consolation
I'm gonna take it to the United Nations
I'm gonna see that you be back home in thirty days
Oh thirty days thirty days
Oh thirty days thirty days
Babe I'm gonna see that you be back home in thirty
days
You don't give me no consolation
I'm gonna take it to the United Nations
I'm gonna see that you be back home in thirty days
