Holiday resorts are really quite amusin'
If ya don't watch out you can really take a bruisin'
Lot's of pretty girls in very scant bikinis
With rum boyfriends too busy with their surf skis
Let me tell you 'bout a few in particular
A Latin lover who was good at her arithmetica
Secretarial work 9-5 pay
Just to get her once a year holiday

Chorus ~
She wants to know
If he's ever gonna take her home
Yeh
He just want to know
If he's ever gonna take her home
(Is he ever gonna take her home)

Louise was a middle age chemist's wife
Fond of young boys and of the gay gay life
Reported missin' after the day cruise
A torch light found
Her examine the boat boy's bruises

Chorus

She wants to know
(she wants to know)
If he's ever gonna take her home
Yeah
He just want to know
If he's ever gonna take her home
Yeah
She wants to know
(she wants to know)
If he's ever gonna take her home
Yeh
He just want to know
If he's ever gonna take her home
(is he ever gonna take her home)

Hol - Holiday resort x 7
