Faces I remember, I'll still see
And places in a memory, hold on to me
I can't wait to crawl out of my shell
Promises tell me in a thousand ways
Movin on forever
Livin' life this way
And i can't wait to crawl
I can't wait at all
I can't wait to crawl

Cuz if I wait too long
How am I ever gunna reach my destination?
And now I know the time has come
It's all right here yeah
It's all so clear to me

Eyes that open slowly
It's so hard to see
I've never seen an angel
But I'm trying to believe

And I can't wait to crawl
I can't wait at all
I can't to crawl
I can't wait anymore
I can't wait anymore
I can't wait anymore
