(Whoa! Whoa! Whoa! Whoa!)
(Let's go!)
(Whoa! Whoa! Whoa! Whoa!)

In any town there is a wicked boy
Pumpin' around my name is S-H-I-N
I always try to find what is joy
And also all my friends are try to find it

All of the boys are rappin'
All of the girls are pumpin'
All of the kids are jumpin' to the playground
All of the boys are rappin'
All of the girls are pumpin'
All of the kids are dancin' to the rave land

(Whoa! Whoa! Whoa! Whoa!)
(Ooh, let's go! 1, 2, 3!)

Don't have to do the workout everyday
Oh mom, you just can go out to the playground
If you don't say "You have homework" today
No complain for Domino's pizza dinner

All of the boys are rappin'
All of the girls are pumpin'
All of the kids are jumpin' to the playground
All of the boys are rappin'
All of the girls are pumpin'
All of the kids are dancin' to the rave land

Oh mother, you don't have to rule
All of the thing you want to say is what I knew
But don't worry about it 'cause I love you forever and
ever

Jumpin' jumpin' boys are jumpin'
Jumpin' jumpin' girls are jumpin'
Jumpin' jumpin' kids are jumpin' to the playground

Jumpin' jumpin' boys are jumpin'
Jumpin' jumpin' girls are jumpin'

Jumpin' jumpin' kids are jumpin' to the playground

Jumpin' jumpin' boys are jumpin'
Jumpin' jumpin' girls are jumpin'
Jumpin' jumpin' kids are jumpin' to the playground

Jumpin' jumpin' boys are jumpin'
Jumpin' jumpin' girls are jumpin'
Jumpin' jumpin' kids are jumpin'
Jump around in the rave land

(Instrumental)

(Let's go!)
(Whoa! Whoa! Whoa! Whoa!)
(Let's go! 1, 2, 3!)

Oh mother, you don't have to rule
All of the thing you want to say is what I knew
But don't worry about it 'cause I love you forever and
ever

Jumpin' jumpin' boys are jumpin'
Jumpin' jumpin' girls are jumpin'
Jumpin' jumpin' kids are jumpin' to the playground

Jumpin' jumpin' boys are jumpin'
Jumpin' jumpin' girls are jumpin'
Jumpin' jumpin' kids are jumpin' to the playground

Jumpin' jumpin' boys are jumpin'
Jumpin' jumpin' girls are jumpin'
Jumpin' jumpin' kids are jumpin' to the playground

Jumpin' jumpin' boys are jumpin'
Jumpin' jumpin' girls are jumpin'
Jumpin' jumpin' kids are jumpin'
Jump around in the rave land

(Whoa! Whoa! Whoa! Whoa!)
(Whoa! Whoa! Whoa! Whoa!)

Keep on jumpin'
Keep on jumpin' to the playground
Yeah, the playground
Everybody, everybody's jumpin'
Everybody's jumpin', pumpin', jumpin', pumpin',
jumpin', pumpin'
