[Fresh Cream:]

Hey, hey, hey, hey , hey , hey, hey
Hey, hey, hey, hey , hey , hey, hey

We were rollin' and tumblin'
Right the whole night long

We were rollin' and tumblin'
Right the whole night long

When I woke up this mornin' baby
All I had was gone

Well I rolled my baby
She's goin' to jump and shout

Well I rolled my baby
She's goin' to jump and shout

When that train rolls up boys
I'm gonna come walkin' on home

Hey, hey, hey, hey , hey , hey, hey
Hey, hey, hey, hey , hey , hey, hey

Engine driver blows that whistle
Fireman rings that bell

Engine driver blows that whistle
Fireman rings that bell

Well I didn't have time boys
To bid my baby farewell

Hey, hey, hey, hey , hey , hey, hey, hey
Hey, hey, hey, hey , hey , hey, hey, hey
Yeh, yeh, yeh, yeh, yeh, yeh, yeh, yeh

We were rollin' and tumblin'
Right the whole night long

We were rollin' and tumblin'
Right the whole night long

When I woke up this mornin' babe
All I had was gone

Well I rolled my baby
Got to jump and shout

Said I rolled my baby
Got to jump and shout

When that train rolls up boys
Goin' walkin' on home

Hey, hey, hey, hey , hey , hey, hey, hey
Yeh, yeh, yeh, yeh, yeh, yeh, yeh, yeh
Hey, hey, hey, yeh , hey , hey, yeh, yey

Well engine driver blows that whistle
Fireman rings that bell

Say engine driver blows that whistle
Fireman rings that bell

Well I didn't have time boys
To bid my baby farewell
