Paul Oakenfold (Featuring Shifty of Crazy Town)

Hey DJ!
Tonight into the stars
Tonight IÂ'm seeinÂ' stars
Tonight into the stars
Tonight IÂ'm seeinÂ' stars
Tonight into the stars
Tonight IÂ'm seeinÂ' stars

Once again I found myself with my friends
DancinÂ' the night away itÂ's like the party never ends
Then again we donÂ't want it to stop cause
TonightÂ's the night it goes sweat box, laser beams,
flashinÂ' lights
Wild cards, been from mars, dressed in stars and
stripes
Ecliptic electric
Ladies of the eveninÂ'
DrinkinÂ' booze and minglinÂ'
LodginÂ' to the music I can do anything
Freaky Deaky star speckles and pink butterflies
Life is nice, so nice
I walk into a club and IÂ've found paradise
IÂ'm seeinÂ' stars, I canÂ't believe my eyes
IÂ'm seeinÂ' stars

CHORUS:
Oh my starry eyed surprise
Sundown to Sunrise
Dance all night
We gonna dance all night
Dance all night to this DJ
Ah sugar dance all night to this DJ

Oh my starry eyed surprise
Sundown to Sunrise
Dance all night

We gonna dance all night
Dance all night to this DJ
Ah sugar dance all night to this DJ

Dance all night to this DJ
Ah lover dance all night to this DJ

Now the record I was feelin' on the trails we blaze
The walls are closin' in but that's okay
Cause I've been waitin' all week to feel this way
And it feels so good so good
I'm on top of the world
The coolest kid in the neighbourhood
So let me be your star for one night, that's right
Sweat box, lazer beams, flashin' lights
You've got to, feel the rush, feel the spice of life
Thug life, Shifty rolls the dice
Snake eyes, surprise
Icein', Mesmerizin'
The minds of sick ones
Cause what we are are victims of fun
C'mon C'mon
The fun is just begun
C'mon the fun has just begun

CHORUS

Hey DJ!
Tonight into the stars
Tonight I'm seein' stars
It goes ooh la la I see stars
I'm seein' stars, I'm seein' stars
Seein' stars, I'm seein' stars
Seein' stars, I'm seein' stars

CHORUS
