Born under a bad sign.

I've been down since I began to crawl.

If it wasn't for bad luck,

I wouldn't have no luck at all.

Bad luck and trouble's my only friend.

I've been down ever since I was ten.

Chorus

You know, wine and women is all I crave.

A big bad woman's gonna carry me to my grave.

Chorus

First Verse

Born under a bad sign.

I've been down since I began to crawl.

If it wasn't for bad luck,

I wouldn't have no luck.

If it wasn't for real bad luck,

I wouldn't have no luck at all.

Born under a bad sign.
