Born under a bad sign
I've been down since I began to crawl
It wasn't for bad luck
I wouldn't have no luck at all

Bad luck and trouble's my only friend
I've been down ever since I was ten

Born under a bad sign
I've been down since I began to crawl
If it wasn't for bad luck
I wouldn't have no luck at all

You know, wine and women is all I crave
A big bad woman, who gonna carry me to my grave

Born under a bad sign
I've been down since I began to crawl
If it wasn't for bad luck
I wouldn't have no luck at all

Bad luck and troubles, they're my only friend
I've been down ever since I was ten

Born under a bad sign
I've been down since I began to crawl
If it wasn't for bad luck
I wouldn't have no luck
If it wasn't for real bad luck
I wouldn't have no luck at all

Born under a bad sign
Born under a bad sign
