Driving in my car, smoking my cigar,
The only time I'm happy's when I play my guitar.

Ah, ah, ah, ah, ah.
Ah, ah, ah, ah, ah.

Singing in my yacht, what a lot I got,
Happiness is something that just cannot be bought.

Ah, ah, ah, ah, ah.
Ah, ah, ah, ah, ah.

I've been in and out, I've been up and down,
I don't want to go until I've been all around.

Ah, ah, ah, ah, ah.
Ah, ah, ah, ah, ah.

What's it all about, anyone in doubt,
I don't want to go until I've found it all out.

Ah, ah, ah, ah, ah.
Ah, ah, ah, ah, ah.
