I'm a sleepy time baby, a sleepy time boy.

Work only maybe, life is a joy.

We'll have a sleepy time time.

We'll have a sleepy time time.

We'll have a sleepy time time.

We'll have a sleepy time time.

Sleepy time time, sleepy time all the time.

Asleep in the daytime, asleep at night.

Life is all playtime; working ain't right.

Chorus

I have my Sunday, that ain't no lie.

But on Monday morning comes my favorite cry.
