Could fill spoons full of diamonds  
Could fill spoons full of gold  
Just a little spoon of your precious love  
Will satisfy my soul

Men lies about it  
Some of them cries about it  
Some of them dies about it  
Every thing's a fightin' about the spoonful

That spoon, that spoon, that spoonful  
That spoon, that spoon, that spoonful  
That spoon, that spoon, that spoonful  
That spoon, that spoon, that spoonful

Could fill spoons full of coffee  
Could fill spoons full of tea  
Just a little spoon of your precious love  
Is that enough for me?

Men lies about it  
Some of them cries about it  
Some of them dies about it  
Every thing's a fightin' about the spoonful

That spoon, that spoon, that spoonful  
That spoon, that spoon, that spoonful  
That spoon, that spoon, that spoonful  
That spoon, that spoon

Could fill spoons full of water  
Save them from the desert sands  
But a little spoon of your forty five  
Saved you from another man

Men lies about it  
Some of them cries about it  
Some of them dies  
Every thing's a fightin' about it

Every thing's a cryin' about it  
Every thing's a, everything's a dyin' about it

Every thing's a cryin' about it  
Every thing's a lyin' about it

[Incomprehensible]  
Spoonful, spoonful  
Everybody's a dyin' about it  
Alright just tryin' about it

That spoon, that spoon, that  
Little a spoon, little a spoon, little a  
Litte a spoon, little a spoon, little a spoonful  
That spoon, that spoon, that spoonful  
That spoon, that spoon, that spoonful  
Every thing's a dyin' about it, yea
