"Sunshine of you love"

It's gettin' near dawn
When lights close their tired eyes
I'll soon be with you my love
To give you my dawn surprise

I'll be with you darling soon
I'll be with you when the stars start falling
I've been waiting so long to be where I'm going
In the sunshine of your love

I'm with you, my love
The light's shinin' through on you
Yes, I'm with you, my love
It's the morning and just we two

I'll stay with you darling now
I'll stay with you till my seeds are all dried up
I've been waiting so long to be where I'm going
In the sunshine of your love

I'm with you, my love
The light's shinin' through on you
Yes, I'm with you, my love
It's the morning and just we two

I'll stay with you darling now
I'll stay with you till my seeds are all dried up
I've been waiting so long, I've been waiting so long
I've been waiting so long to be where I'm going
In the sunshine of your love
