Take it back, take it back, take that thing right out of  
here  
Right away, far away, take that thing right out of here

Don't let them take me to where streams are red  
I want to stay here and sleep in my own bed  
Need all your lovin', long blonde hair  
Don't let them take me 'cause I'm easily scared

Take it back, take it back, take that thing right out of  
here  
Take it back, take it back, take that thing right out of  
here  
Right away, far away, take that thing right out of here

I got this great need, the need to stay alive  
Not ashamed of my creed, I've got to survive  
So come on baby, don't go away  
Just let them save me for a rainy day

Take it back, take it back, take that thing right out of  
here

I got this need, the need to stay alive  
Not ashamed of my creed, I've got to survive  
So come on baby, don't go away  
Just let them save me for a rainy day

Take it back, take it back, take that thing right out of  
here  
Take it back, take it back, take that thing right out of  
here  
Right away, far away, take that thing right out of here

I got this thing, I've got to keep it sharp  
Don't go to places where it won't shine in the dark  
So come on baby, don't go away  
Just let them save me for a rainy day

Take it back, take it back, take that thing right out of  
here
