I'm goin' to a wedding  
I'm going to a wedding  
Dressed in black

I'm going to a party  
I'm going to party, won't be back  
'Cause I'm not going with you, no

Trees are no longer a comfort  
Messages sad in the wires  
My hair is hung down  
With the blackest of rain that I'm feeling

I'm going to the river  
I'm going to the river  
Wash my tears

I'm going to the mountains  
Going to the mountains, cool my fears  
That I'm not going with you, no

Skies are no longer a comfort  
Leaves turning black in the autumn  
The corn is hung down  
With the heaviest rain I am feeling

I'm going to a funeral  
I'm going to a funeral  
Dressed in white

I'm going to a nightclub  
I'm going to a nightclub  
Sleep with night  
And I'm not going with you, no

Love is no longer a comfort  
Fantastic times are forgotten  
My heart is hung down  
With the saddest of rain that I'm feeling
