"World Of Pain"

Visit "[World Of Pain](#)" on [MotoLyrics.com](https://www.motolyrics.com)

Outside my window is a tree
Outside my window is a tree
There only for me

And it stands in the gray of the city
No time for pity for the tree or me

There is a world of pain
In the falling rain
Around me

Is there a reason for today?
Is there a reason for today?
Do you remember?

I can hear all the cries of the city
No time for pity for a growing tree

There is a world of pain
In the falling rain
Around me

Outside my window is a tree
Outside my window is a tree
There only for me

And it stands in the gray of the city
No time for pity for the tree or me

There is a world of pain
In the falling rain
Around me
